While the planning for these events is well underway, we need your help to make it a success. **Yes YOU!!!** Don't wait for that other person to step up, this is your time to shine! Starting now until the weekend before the festival we ask that you will consider donating or lending the following items:

- Drinks – Soft drinks, water, juice boxes, etc.
- Tents – Pop up canopy style tents are needed. We will treat them like our own.
- Coolers
- Paper plates, paper towels, napkins, plastic utensils, etc.
- Snack packs of chips and candy
- Corn Hole sets – We will need some extras for the tournament

There will be a dedicated area to bring these items. Please consider helping out as you can.

In addition to the items above we will be needing volunteers for the events themselves. We will be creating a SignUpGenius for volunteering in the coming days. We will provide that link for everyone so that you may volunteer for the event or activity of your choosing. ***We can't do this alone so please help out when and where you can.***

Last but not least, we need your help spreading word about the festival. Tell your friends, family, and coworkers but also spread the word through social media. Please go to St. Luke's Facebook page. Copy and paste the festival posts to your own page to share with your inner circle of friends, family, neighborhood and community pages you are associated with and anywhere else you think it will make an impact.
